Dear Dr. Shaibani:

Upon the recommendation of Dr. Raza Tahir-Kheli of the Department of Physics, I am pleased to appoint you as an Affiliated faculty member from September 1, 1995 to August 31, 1998. Your title will be Clinical Associate Professor in the Physics Department. This courtesy appointment does not include compensation or permanent faculty status at Temple University, but it does confer upon you the rights and privileges of affiliated faculty, which includes eminent scholars who, like yourself, wish to work with colleagues in our College.

I hope that the time you spend with us will be satisfying and productive, and I would like to thank you in advance for the contributions which I know your presence will make to our Physics Department.

Sincerely,

Carolyn T. Adams
