## Please select one package:

- Package 1** \$1,500 This is a 6 hour package shot with an HD camera at your ceremony, as well as your reception. The sound is captured both live, as well as with wireless microphones (during the ceremony). Your final product will be on Blu-ray disc, DVD, or onto a hard drive that you provide. The end product is an awesome summary of your day.
- Package 2** \$2,000 This package is an 8 hour version of package one. This is the most popular package, because it is about how long a wedding day usually is (if you were to start from getting ready until the final cutting of the cake at the reception). It's a great time capsule of your entire wedding day experience.
- Package 3** \$2,500 This is the massive 10 hour package! As you plan out your wedding day, you might realize that 8 hours of coverage is just not going to cut it... This package is for you! Your wedding day will not happen again, so be sure to allow enough time to capture it all!
